How to apply your Exclaimer license

For Mail Utilities

- 1. Copy the product key to the clipboard. This is found in a text file attached to your license email
- 2. Launch the product

Mail Utilities Control Panel

- 3. Select the "About" option in the bottom-left
- 4. Choose "Apply License":
- 5. A dialog appears. Choose "Apply license...":
- 6. The license will be applied
